# INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors FILO Community NFP

## **Opinion**

We have reviewed the accompanying financial statements of FILO Community NFP (a nonprofit organization), which comprise the statement of financial position – modified cash basis as of December 31, 2023, and the related statement of activities – modified cash basis, and functional expenses – modified cash basis for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

# Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

# Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of City Kids Camp and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

### Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

# NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2023

# NOTE 1 - NATURE OF ACTIVITIES

The FILO Community NFP (the Organization) is an Illinois not-for-profit corporation formed in December 2022. Its mission is to support technical artists who serve local churches through skill development, coaching, and conferences.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### MODIFIED CASH BASIS OF ACCOUNTING

The financial statements are prepared using the modified cash basis of accounting. The modified cash basis differs from accounting principles generally accepted in the United States of America primarily because the Organization does not record unconditional promises to give until the amounts are received, or record in-kind gifts of property or services, or recognizes expenses until the amounts are paid rather than when the obligations are incurred, with the exception of credit card balances. Accordingly, the financial statements do not purport to represent financial position and changes in net assets of the Organization in accordance with accounting principles generally accepted in the United States of America.

# **ASSET CLASSES**

The Organization reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Accordingly, net assets of the Organization and changes herein are classified and reported as follows:

*Net assets without donor restrictions* include general net assets of the Organization and are not subject to donor-imposed restrictions. The net assets without donor restriction of the Organization may be used at the discretion of management to support the Organization's purposes and operations.

Net assets with donor restrictions net assets are subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by the actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. At December 31, 2023, the Organization did not have net assets with donor restrictions.

# **CASH AND CASH EQUIVALENTS**

Cash and cash equivalents consist of cash on hand, amounts held at financial institutions, and short-term highly liquid investments that are readily convertible to known amounts of cash. Investments with an original maturity of three months or less are considered short-term for these purposes.

### REVENUE RECOGNITION

Various economic factors affect the recognition of revenue and cash flows, including the demand for services, availability of personnel, and prompt payments from donors. There are no significant judgments affecting revenue recognition over time or at a point in time. There were no contract assets or liabilities from contracts with donors. The following describes revenue recognition policies followed by the Organization.

Notes to Financial Statements (Continued)

### Contributions

Contributions are recognized as revenues in the period the funds are received. Contributions that are restricted by the donor are reported as an increase in net assets with donor restrictions and are reported as releases from donor restrictions and a corresponding increase in net assets without donor restrictions one the donor specified restrictions have been met.

### Program Service Revenue

Revenues from coaching, consulting and event registrations are recognized at a point in time when the performance obligations of delivering the services are satisfied, primarily at the end of each session or conference.

Merchandise Sales

Revenues from merchandise sales are recognized at the time of sale.

### **INCOME TAXES**

The Organization is tax exempt under Internal Revenue Code Section 501(c)(3), and is classified as a public charity. Income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. There were no taxes incurred for unrelated business activities during the year ended December 31, 2023.

The financial statement effects of a tax position taken or expected to be taken are recognized when it is more likely than not, based on technical merits, that the position will be sustained upon examination. As of December 31, 2023, the Organization had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

### **CONTRIBUTED SERVICES AND GOODS**

Donated services are recognized as contributions at their fair value at the date of donation if the services create or enhance nonfinancial assets or require specialized skills and would otherwise be purchased by the Foundation. Donated materials and rents are recorded as contributions at their fair values at the date of donation. No amounts have been reflected in the financial statements for these services because they do not meet the criteria for recognition as contributed services.

# **COST ALLOCATION**

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include advertising; dues and subscriptions; insurance; management fees; meals and entertainment; occupancy; office expenses; printing and copying; professional fees; and shipping and postage, which are allocated on the basis of estimates of time and effort, as well as general costs which are allocated based on estimated usage.

### **ESTIMATES**

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Notes to Financial Statements (Continued)

# **MANAGEMENT'S REVIEW**

The Organization has evaluated subsequent events through the date on which the financial statements were available to be issued which is the date of the Independent Accountant's Review's Report.

### NOTE 3 – RELATED ENTITY

The Organization receives significant assistance from a related for-profit organization, Fusion Productions. Management of Fusion Productions began FILO Community NFP as a way to offer technical artists coaching and information for serving local churches. FILO paid management fees to Fusion Productions totaling \$92,844 to perform all operating tasks of the Organization. Additionally, the Organization reimburses Fusion Productions throughout the year for shared marketing, supplies and other costs necessary for the operation of FILO Community NFP. Employees of Fusion Productions make up the board of directors for FILO Community NFP.

# NOTE 4 - LIQUIDITY OF ASSETS

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

The Organization has \$15,563 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures consisting of cash of \$15,563.
